

**BULLYING**

Children should at all times respect one another.

If you feel you are being bullied, tell someone (your tutor, another teacher, a member of the boarding team, Mrs Beaumont, one of the cleaners, any other grown up, a member of S3). If you prefer, you may leave a note in the postbox in the entrance to the main office, and it will be given to Mrs Hannam Walpole.

If you see or know of someone being bullied, stand up for her if you can, but at least tell someone about it (your tutor or another teacher, or leave a note in the postbox).

If you think you are being accused of bullying, talk to your tutor or another teacher.

Do not by your silence allow bullying to continue.
