

HERGILL FARM GEESE

COMPLETE YOUR CHRISTMAS CELEBRATIONS THIS YEAR WITH A HERGILL FARM GOOSE.

AS WE ARE BECOMING MORE AWARE OF WHAT WE EAT AND HOW IT IS PRODUCED IT IS REASSURING TO KNOW THAT A HERGILL GOOSE HAS BEEN TRADITIONALLY REARED.

HATCHED IN MAY THEY ARE RAISED SLOWLY, ALLOWED TO ROAM FREE IN THE FIELDS, GRAZING ON A CLOVER RICH PASTURE THEN BROUGHT INTO A STRAW FILLED BARN AT NIGHT, SAFE FROM MR. FOX.

THEIR DIET IS ONE THAT IS FREE FROM ADDITIVES AND GROWTH PROMOTERS.

EVERYTHING HERE AT HERGILL IS DONE BY HAND, ONCE PLUCKED THEY ARE HUNG FOR 10 DAYS WHICH ALLOWS THE FLAVOUR TO MATURE AND THE MEAT TO BECOME MORE TENDER.

ALL GEESE ARE PRESENTED OVEN READY. THE PRICE DEPENDS ON THE WEIGHT OF EACH BIRD AND ON AVERAGE THEY WEIGH BETWEEN 4.5 – 6KG. WE CHARGE £11 PER KILO.
