

Dear Parents,

New Contact Details for Staff at Queen Mary's School as at 29th April, 2010

We have recently had a new telephone system installed at school. Below are all the extension numbers for our staff. This system will enable you to leave a message without interrupting lessons. Dial 01845 57 (extension number). When leaving a message please state the time and date and a contact telephone number. If the nature of the call is more urgent or you experience any problems then please call the office. I have also included all the updated email addresses.

Best wishes, Carolyn Collin
