Dear Parents,

The new texting system was launched this week which tied in perfectly with the bad weather and all the match cancellations. All parents' mobile numbers have been selected on our database, however, if you do not wish to be kept updated via text please let me know and I shall take you off the list. I shall try to keep the texts to a minimum and target the relevant people accordingly ie team parents etc. All information will also be updated at the same time on the web pages

If for any reason you have not received any text messages or if you change your mobile number please contact me, the efficiency of this system is reliant on us having the correct numbers.

Many thanks,

Carolyn Collin
