

21st January, 2009

Dear Parents,

Mrs Almack and I have arranged to take a party of year 5 and 6 girls to go and see a musical 'whodunit' play, "The Strange Case of the Calculating Mr One", at the Grand Opera House in York on the morning of Thursday 19th March. It is about a Victorian Private Detective who has to unravel a series of clues in order to solve a bizarre mathematical mystery, using Maths at the level of KS2.

We will travel by school minibus, departing from school at 0845 and returning in time for lunch at 1300. Girls will wear school uniform and a coat. The cost of the trip will be £10, and this will be charged on your bill. I hope that the girls will find the play to be stimulating and fun!

Yours sincerely,

P R Bailey (Head of Maths)
