Dear Parents,

Mary Glasgow Foreign Language Magazines.

An extraordinary discount offer is currently available for these excellent magazines in Spanish German and French. For a one year subscription which includes six issues the current price is £5, normally £15, so a great buy, I'm sure you will agree.

I intend to order the magazines for commencement of delivery in the Autumn term and your daughter will have her own personal magazine in at least one language but 2 languages if she is studying French/Spanish or French/German. I suggest she keeps all issues in a dedicated folder then she will be able to reread the magazines at a future date! Unfortunately Mary Glasgow do not publish a KS4 edition in German but key stages 3 and 4 are otherwise catered for. The relevant sum will appear on your next bill.

Thank you

Clare Phillips (Head of M.F.L)
