Dear Parents of Year Seven,

As Head of Religious Studies, I am writing to ask if you could provide your daughter with a Good News Bible. This is necessary for GCSE Religious Studies which is a compulsory course in Queen Mary's and the girls have always treasured their own Bibles.

It is important that the girls familiarize themselves with the Bible at an early age and by Year 7 moving into Year 8 we feel that it is time they had their own. We choose the Good News Bible because it is accessible to pupils and is recommended by the Examination Boards. If you have one at home please feel free to use it.

I am ordering some Good News Bibles now which some of you may want to put onto the bill immediately. If you wish to order your own please feel free to do so.

If you wish to purchase through school please email Mrs Smerdon on [m.smerdon@queenmarys.org](mailto:m.smerdon@queenmarys.org) The price will be £15.99 with a 10% discount, from a reliable local bookshop.

Yours sincerely,

Viola Foulser  
Head of Department
