

3<sup>rd</sup> March, 2010

Dear Parents,

The short sleeved summer polo shirt with the QMS logo has now been discontinued. Fortunately I have enough stock to ensure that all Year 7 girls have one of these tops each.

In addition I have polo shirts available in the following sizes 38", 40", 42" & 44" and they will be sold on a first come first serve basis.

The new school uniform website will go live towards the end of June 2010 for winter and sports uniform only. The summer uniform will not be available until spring 2011. If you require extra shirts before that time, I would ask you to purchase them from the high street.

Yours sincerely,

Mrs E Simpson
