

12th May 2010

To all Year 5 and Year 6 Parents

CANOE TRIP TO YORK

I sent a copy of the consent forms and outline arrangements in the school mailing on 28th April (still on the school website) – there are still a few blanks to fill in and details to be arranged so I will issue final instructions later. One significant change is that we will be taking a slightly different route towards York, starting at Ripon and joining our usual route just after Boroughbridge, with a different campsite for the first night. The ethos remains the same, however. We have about 17 children wishing to take part in the trip; we have nearly finalised most of the arrangements concerning the instructors, the canoes, the food, the tents and the campsites, so all should be well, as long as the weather remains friendly.

Please can you check below that your daughter is on the list if she is to canoe, and that she is not on the list if you do not want her to canoe? Let me know of any changes as soon as possible.

Helpers: I have had generous offers of help from several parents some of whom are listed separately. Others may have offered orally, but I have failed to register their kindness. If you would like to help, particularly at the campsites (cooking, washing up, emptying the portaloos) or driving the accompanying vehicle for a day, do please let me know (and make sure I have registered your offer!). I shall allocate specific tasks and give final instructions in a letter immediately after half term when I'll also be sending out a map showing you how to get to each meeting point/campsite.
