

## Queen Mary's School Riding Centre

### Diary up to May 4<sup>th</sup>.

Great fun was had at Queen Mary's first Gymkhana of the year. The results are printed out below. I hope every child went away with at least one rosette and many of them with chocolates of various descriptions.

Please find attached a schedule for our next show which is on Sat 19<sup>th</sup> June. This is for all age groups and students from Cundall Manor, Aysgarth, Ripon Grammar and Ripon Choir School have been invited to join in.

On Sat May 22<sup>nd</sup> in conjunction with the Pre Prep Fete we will be running a Mounted Treasure Hunt. All children are invited to have a go, especially those who haven't ridden before, and they will have to find the treasure by following clues.

The number of girls riding at school is slowly picking up but we still have room for many more, especially of the smaller variety. If your child is a complete beginner try booking her in for a course of half hour private lessons and see how much they enjoy them.

Most girls have so far managed to stay on top of their mounts (which of course is the number one principle of riding). Poor Phoebe Ingram has had two crashing falls, but has managed to come up smiling both times and insisted on continuing on with her lesson (Tough girl this !!)

I am hoping to take some of the senior girls show jumping at N.E.C. on Tuesday evenings, but what I need is transport. Is there any parent with a horsebox or car and trailer who could offer their services for the evening and help us out with this.

Later on there are a couple of team show jumping competitions which I hope to send teams to.

On the personal front both myself and my horses have settled in well. Floyd and Arti have started their endurance season with both of them successfully completing three rides each so far, Floyd competing at 35 to 40 kilometres, and Arti at 65 kilometres. The date to watch out for is the 29<sup>th</sup> May when Arti will be trying his first 80 km ride.

All for now Robert Blane
