

Dear Parents,

Queen Mary's Sports Department is committed to optimising the enjoyment and playing conditions for our pupils during sporting activities.

During this year many pupils turned to various branded 'baselayer' garments that go under the games kit for extra warmth and protection. We were of course supportive of this and carried out our research for the best product to meet the needs of the pupils whilst also standardising appearance. Consequently, we have linked up with an innovative new company called PlayerLayer who are now our official Baselayer supplier.

These are optional items of PE Kit, however if your child would like to wear a baselayer during games next year to keep warm then please ensure they have the school branded ones.

NAME SHIELDS: PlayerLayer have the facility to allow each top to be personalised with your child's name. This means it won't get lost in the changing room.

To order simply go to: www.playerlayer.com.
Then search in the Schools section for: Queen Mary's School.

There is an extensive size guide on the website to make sure you get the right size for your daughter.
