IMPORTANT NOTICE

Dear Parents,

As the nights and mornings are getting darker it is getting increasingly difficult to see girls crossing the car park, walking down from the netball/hockey areas etc. Please can you all remain vigilant in these areas and drive slowly.

Please do not park on the grass verges, even during matches, parents should park at front of the school.

Please do not park in the gravelled area designated for the buses. If you see cars there they should only belong to the bus drivers. Parents parking their cars in this area are preventing the buses being able to park when they return from their bus runs.

Your co-operation is greatly appreciated.

Yours sincerely,
