## Lets make time for kids to be kids!

**After School**

**Two Month Season Ticket.**

Enjoy 2 months of unlimited use.

A season ticket costs just **£15** for one child and **£10**  
for each extra child included on your card.

On those dark wet nights after school you can bring  
the kids here to wear them out, why not make those  
play dates easier on you and your home.

With our new Kitchen Supervisor wanting to  
impress and entice you with our new night-time  
home cooked specials why not come and make it  
easy on yourself!

We pride ourselves on being the cleanest and  
friendliest

playcentre, with ongoing improvements things are  
always changing, so why not come and see for your-  
self!

The true benefit of indoor play, is that it is “Exercise in  
Disguise” so your children don’t even realise that they are  
exercising

***Come and Play! We’re not far away***
