

15th October, 2008

Dear Parent,

The Bushcraft Club, Years 7 to 9 will be holding a sleep over on Thursday 6th Nov 08. This activity is the culmination of four basic skills sessions where the children have learnt to build a shelter, prepare & light a fire, collect water and forage for food. It will involve the girls building a shelter, in groups, and sleeping in them overnight, supervised by myself and a member of staff. There will also be evening activities including a night walk. I have attached a list of girls eligible to attend. The girls will be required to bring certain items with them (see attached information sheet). If you require any more information please do not hesitate to contact the school or myself (contact details below). Please let me know if any of the girls listed will NOT be attending the sleep over.

Kind Regards,

Sharon Hobson
Bushcraft Instructor
