

## **PARKING AT QUEEN MARY'S SCHOOL**

Parking at Queen Mary's is tight, particularly at drop-off and pick-up times. Parents are asked to take great care, especially when the mornings/evenings are dark.

The map overleaf shows the safe route marked out to enable children to cross the car park safely. The green "pavement" which runs alongside the grass allows children to get to the safe crossing, which is raised and marked with yellow bands. Please do not park on the green pavement or on the raised crossing.

The corner coming into the car park must be kept free of cars to allow safe manoeuvring. It is marked with double lines. Please do not park on it.

Please do not bring horse boxes or trailers up to the school at drop-off or pick-up times.

There are two spaces reserved for parents dropping off or collecting very young children for the Early Years. Please respect them, and use them only for dropping off and collecting.
