

Music Department Charity Staff Concert

Dear parents,

I would like to draw your attention to the concert on Sunday 3rd October, to be given by the staff of the Music Department.

We invite you to come along at 7pm on that evening when several of our visiting staff will be joining Mr. Carter and me in a programme of varied music. We will even provide you with a free drink and a few nibbles before the concert. As usual, entry is free, but we will be asking you to pay as you leave. The Retiring Collection will be for Herriot Hospice Homecare.

Herriot Hospice Homecare is a small local charity based in Northallerton, and it works as part of the palliative care team enabling patients and carers to cope at home, and allowing terminally-ill patients to die at home if they wish to do so.

As a family, we have recently received wonderful care and support from this charity, and I would hope you will come along and support this concert, and give generously.

Anthea Shepherdson
