Dear Parent/Guardian,

**Re: Internet Permission Form**

As part of the school's education programme we offer pupils access to the Internet. This allows students access to a large array of online educational resources that we believe can greatly enhance students' learning experience.

However, access to and use of the Internet requires responsibility on the part of the user and the school. These responsibilities are outlined in the school's Acceptable Use Policy. It is important that this document is read carefully, and then the permission slip signed by a parent or guardian and returned to the school.

Although the school takes active steps to promote safe use of the Internet, it recognises the possibility that students may accidentally or deliberately access inappropriate or objectionable material.

The school respects each family's right to decide whether or not to allow their children access to the Internet as defined by the school's Acceptable Use Policy.

Having read the terms of our school's Acceptable Use Policy, you may like to take a moment to consider how the Internet is used in your own home, and see if there is any way you could make it safer for your own family.

Yours sincerely,

Mrs D Hannam Walpole  
Deputy Head

I have read the Acceptable Use Policy and grant permission for my daughter to use her own laptop and access the Internet in school. I understand that Internet access is intended for educational purposes. I also understand that every reasonable precaution has been taken by the school to provide for online safety but the school cannot be held responsible if pupils access unsuitable websites. Neither will the school be responsible for damage to the hardware or software.
