

17th September 2008

Dear Parents,

Unfortunately we will not be taking part in the Choral Day at Worksop College, owing to circumstances which are beyond our control.

However, I would like to take Year 7 to perform at a charity concert in St. Mary's Church in Thirsk, at 7.30pm on Thursday 11th December. As some of you may know, I conduct Northallerton Male Voice Choir in my spare time, and we always do a concert in Thirsk at this time of year, usually sharing the venue with a local children's choir. As Year 7 is such a strong singing group, it seems the ideal time for them to come and be our guests. I would be grateful, therefore, if you could complete the form below and return to the office by Friday 26th September.

Yours sincerely,

Anthea Shepherdson (Assistant Director of Music)

Please return to: Miss A Shepherdson

I confirm that will be able to take part in the charity concert in St. Mary's Church, Thirsk at 7.30pm on Thursday 11th December, 2008.

Signed.....(Parent/Guardian)
