

17th September 2008

Dear Parents

School numbers and future plans

As Mr McKenzie Johnston informed you in his start of term letter the school numbers have risen yet again for this academic year. While this is fantastic news for the school it does mean that managing school admissions becomes harder and harder as there are limited spaces in some year groups, and none at all in others.

Many of you have been in touch about younger (and older) siblings and your plans for them to enter Queen Mary's, yet very few of you have actually sent registration forms to ensure that their spaces are reserved. Please can you do so as this will ensure I can plan and inform new prospective parents of the spaces available for September 2009 and 2010 before the Open Morning on 4th October? This is very important if you have a sibling in Year 6. Our current Year 6 has 26 girls in it and I have a number of enquiries for entry in September. None of us would wish to turn a sibling away because we have no space.

Registration forms are available in the school office. Should you wish to talk to Mr McKenzie Johnston about your future plans, please contact me and I can arrange a convenient time for you to meet.

Best wishes

Tory Robeson
Head of Admissions
