

18th April, 2008

Dear Year 10 Parents,

During this year you will be making decisions about your daughter's further education after she leaves Queen Mary's School. This is an ideal time for you to come in and discuss your daughter's options with Diana Williams (Careers), your daughter's Tutor and me. You may wish to meet more than once as this can sometimes be a difficult decision.

Please can you contact Carolyn Collin on 01845 575051 if you would like to make an appointment.

Yours sincerely,
